

**RURAL MUNICIPALITY OF VISCOUNT 341
BYLAW NO. 03-2017**

CODE OF ETHICS BYLAW

THE COUNCIL OF THE RURAL MUNICIPALITY OF VISCOUNT NO. 341, in the Province of Saskatchewan, enacts as follows:

1. Short Title

This Bylaw may be cited as the Code of Ethics Bylaw.

2. Legal Requirement

This bylaw has been created to comply with section 93.1 of *The Municipalities Act* and as outlined in section 3.1, Schedule 1, of *The Municipalities Regulations*.

3. Code of Ethics for Members of Council

As members of council, we recognize that our actions have an impact on the lives of all residents and property owners in the community. Fulfilling our obligations and discharging our duties responsibly requires a commitment to the highest ethical standards.

The quality of the public administration and governance of the RM of Viscount, as well as its reputation and integrity, depends on our conduct as elected officials.

The purpose of this code is to outline basic ethical standards and values for members of council. It is to be used to guide members of council respecting what their obligations are when fulfilling their duties and responsibilities as elected officials.

This code is to be interpreted in accordance with the legislation applicable to the municipality, the common law and the policies and bylaws of the municipality.

Neither the law nor this code is to be interpreted as exhaustive, and there will be occasions on which a council will find it necessary to adopt additional rules of conduct in order to protect the public interest and to enhance the public confidence and trust in local government.

It is the responsibility of each member of council to uphold the standards and values set out in this code.

4. Standards and Values

a. Honesty

Members of council shall be truthful and open in their roles as council members and as members of the communities they serve.

b. Objectivity

Members of council shall make decisions carefully, fairly and impartially.

c. Respect

Members of council shall treat every person, including other members of council, municipal employees and the public, with dignity, understanding and respect.

Members of council shall not engage in discrimination, bullying or harassment in their roles as members of council. They shall not use derogatory language towards others, shall respect the rights of other people and groups, shall treat people with courtesy and shall recognize the importance of the different roles others play in local government decision making.

d. Transparency and Accountability

Members of council shall endeavour to conduct and convey council business and all their duties in an open and transparent manner, other than those discussions that are authorized to be dealt with in a confidential manner in closed session, so that stakeholders can view the process and rationale used to reach decisions and the reasons for taking certain actions.

Members of council are responsible for the decisions that they make. This responsibility includes acts of commission and acts of omission.

e. Confidentiality

Members of council shall refrain from disclosing or releasing any confidential information acquired by virtue of their office except when required by law or authorized by council to do so. Members shall not take advantage of or obtain private benefit from information that is obtained in the course of or as a result of their official duties or position and that is not in the public domain. This includes complying with *The Local Authority Freedom of Information and Protection of Privacy Act* in their capacity as members of council of a local authority.

f. Leadership and the Public Interest

Members of council shall serve their constituents in a conscientious and diligent manner and act in the best interests of the municipality. A member shall strive, by focussing on issues important to the community and demonstrating leadership, to build and inspire the public's trust and confidence in local government.

Members of council are expected to perform their duties in a manner that will bear close public scrutiny and shall not provide the potential or opportunity for personal benefit, wrongdoing or unethical conduct.

g. Responsibility

Members of council shall act responsibly and in accordance with the Acts of the Parliament of Canada and the Legislature of Saskatchewan, including *The Municipalities Act*.

This duty includes disclosing actual or potential conflicts of interest, either financial or otherwise relating to their responsibilities as members of council, following policies and procedures of the municipality, and exercising all conferred powers strictly for the purpose for which the powers have been conferred. Every member of council is individually responsible for preventing potential and actual conflicts of interest.

5. Gifts and Benefits

- a. No member of Council shall accept a fee, gift or personal benefit that is connected directly or indirectly with the performance of his or her duties of office, unless permitted by the exceptions listed below. For these purposes, a fee or gift of benefit that is paid or provided with the member's knowledge to a member's spouse, partner, child or parent that is connected directly or indirectly to the performance of the member's duties is deemed to be a gift to that member. The following are recognized as exceptions:
- i. Such gifts or benefits that normally accompany the responsibilities of office and are received as an incident or protocol or social obligation, provided that the value of the gift or benefit does not exceed \$250.00;
 - ii. A suitable memento of a function honoring the member;
 - iii. Food, lodging, transportation, event tickets or entertainment provided by provincial, regional and local governments or by political subdivisions of them, by the Federal government or by a foreign government within a foreign country, or by a conference, seminar or event organizer where the member is either speaking or attending in an official capacity; and
 - iv. Food and beverages consumed at banquets, receptions, business lunches or similar events, if attendance serves a legitimate business purpose, the person extending the invitation or a representative of the organization is in attendance, and the value is reasonable and the invitations infrequent.

6. Contravention of Code of Ethics

As required by clause 93.1(5)(c) of *The Municipalities Act*, the following section details the procedure for handling contraventions of the code of ethics.

- a. To report an alleged contravention of the Code of Ethics, an individual/organization/member of council may submit the form found in Schedule A, by sending the form directly to the Administrator, by mail, e-mail, fax or courier.  - ii. Any member(s) of Council subject to a complaint shall be excluded from the *in camera* session until such time that Council may require a version of events from the member(s) of Council.
- c. If the claim is found to be substantiated, Council may, by resolution, impose an appropriate penalty detailed in section 8 based on the severity of the contravention of the code of ethics.
- i. Any action taken by Council should include a time frame to complete the expected remedial action.
- d. Council shall inform the claimant, member of council, and any other relevant party of Council's decision, which includes:
- i. Informing the claimant and member of council that the complaint is dismissed, or
 - ii. Informing the complainant and member of council of the corrective action and/or the measures taken to ensure the behavior or activity does not continue.

7. Contravention during a Council Meeting

If council is of the opinion that a member has violated the code of ethics during a council meeting, council may require the member to remove themselves for the remainder of the council meeting. Council may apply additional penalties based on the severity of the contravention.

8. Remedial Action if Contravention Occurs

Should a Member of a Council breach any of the principles outlined in this code, the possible courses of action that are available to Council include but are not limited to:
